

ARCH GLOBAL LIMITED

COMPANY PROFILE

2025 >>>

CORPORATE MESSAGE

ARCH believes in building lasting client relationships. This philosophy also applies to our reputation with suppliers and subcontractors.

At ARCH our goals parallel those of our clients: timely completion, high quality construction, and no surprise cost overruns. We accomplish these goals by keeping our top management personally involved in every project from inception to handover , ensuring Projects are achieved with the highest standards of quality, safety and as per schedule.

Mohamed Omer
General Manager

COMPANY OVERVIEW

- ▶ ARCH is a multidisciplinary contracting company working in the field of civil and architectural engineering.
- ▶ The company was established in 2006 in Sudan and registered lately in Saudi Arabia to perform real state development, infrastructures, buildings design, construction and remodeling services.
- ▶ We are able to offer you a full line of professional services which range from in-house engineering and computer generated drawings, to full service Turn-Key contracts.
